DGRP eREX Guidelines: Post-All But Dissertation (ABD) Status

The full eREX process sets up a DGRP student’s subcontract for the period that they are to be funded by PNNL post-ABD status. **Students are not eligible to start at PNNL until they have achieved ABD status.**

A full eREX must be submitted to ORSO at least 60 days prior to the DGRP student’s PNNL funding start date – typically year 3 of their involvement in the program. Students are required to notify their departments and the DGRP of their transition timeline 90 days prior to the funding start date to ensure that both PNNL and WSU can process the student’s subcontract ahead of the funding start date.

During this period of PNNL funding, the student will receive a full academic year tuition waiver (up to four semesters) provided by the WSU Graduate School. **Tuition waivers are not available during summer semesters;** therefore, WSU and PNNL may elect to employ the student on a wage basis set equivalent to the stipend and benefit fees.

Students working off-site from WSU at PNNL are eligible for a partial mandatory fee waiver at WSU. All other mandatory fees are covered by PNNL during this 24-month period and should be included in the budget.

- To request fee waivers for off-site work, department administrators contact the student account SharePoint email address on a student’s behalf.
  - Do not copy anyone else on the request as replies will also post to the site.
  - If you have questions or need assistance, email the WSU Bursar’s Office.

- Resources: Graduate School Costs, Tuition Cost with Assistantship, Tuition Tables by Campus

- Waivable mandatory fees by campus for students on-site at PNNL are currently as follows:

<table>
<thead>
<tr>
<th>WSU Pullman</th>
<th>WSU Tri-Cities</th>
</tr>
</thead>
<tbody>
<tr>
<td>Student Recreation Center Fee</td>
<td>Union Building Fee</td>
</tr>
<tr>
<td>Health Fee</td>
<td></td>
</tr>
<tr>
<td>Pullman Transit Fee</td>

</tr>
<tr>

</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>WSU Spokane</th>
<th>WSU Vancouver</th>
</tr>
</thead>
<tbody>
<tr>
<td>Health Fee</td>
<td>Technology Fee</td>
</tr>
</tbody>
</table>

- Non-waivable mandatory fees that should be detailed on the budget and covered for the student are:
  - Student & Activity (S&A) Fee
  - Building Fee
  - Safety and Transportation Fee (TC Campus only)

Guidance is provided below for filling out the DGRP eREX for a student’s transition to PNNL:

- **General Info:**
  - List WSU advisor as PI, with DGRP student as Co-PI.
  - Project information (Attachment 1 on the eREX) should reference the research that the student plans to work on at PNNL.
  - Project period should be the term that the student will be funded by PNNL (up to 24 months).
    - **Start dates follow normal semester appointments (January 1, May 16, or August 16) unless otherwise approved by the DGRP.**
    - For example, a fall 2020 start date would use the term 8/16/2020 - 8/15/2022.
    - Note: The student is expected to begin PNNL-related work on the date that PNNL funding begins, regardless of whether the student is physically on location at PNNL.

**Revised July 13, 2023**
PNNL should be listed as the sponsor/agency name. There is no subagency, and DGRP is the program/unit.

Agency Contact: Kori West, Phone: 509-371-7004.
